

OFFICIAL ENDORSEMENT OF SAN BENITO DEMOCRATS FOR SLOW GROWTH

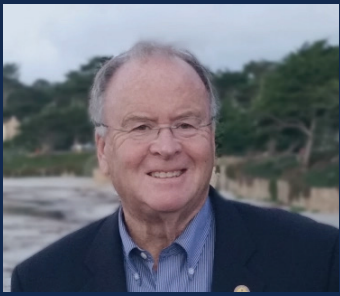

A NEW WAY FORWARD

Un Camino Nuevo Para Seguir

Ad Paid for by San Benito Democrats for Slow Growth

“San Benito will have a bright future if local Democrats unite to move the County forward in a new direction. **Measure A** gives voters an exciting opportunity to slow runaway growth and build a prosperous economy. Hollister voters can also elect a new Mayor and City Council to slow growth. It’s time for a new way forward. The old way isn’t working for most residents.”

—SAM FARR, retired U.S. Congressman (made Pinnacles a National Park)
